HOW THE IRISH WAS CHECKED

Every Irish word and phrase in this pack was copied from the sources below, which we checked on 30 October 2026. Spellings follow those sources (standard spelling, from Foras na Gaeilge's dictionaries). Where the three main dialects (Connacht, Munster and Ulster) use different phrases, we say which is which, following Gaelchultúr's lessons. Words we could not find in these sources were left out.

HOW TO HEAR THE WORDS

We don't make up English-letter spellings of Irish sounds. The only sound guides in our packs are the two that Gaelchultúr prints in its beginners' lesson, marked as theirs. For real voices, use Foras na Gaeilge's free pronunciation database at teanglann.ie, where native speakers say words in the Connacht, Ulster and Munster dialects, or the c / m / u recordings on focloir.ie.
